

AWARD SERVICE

Order Form

This unique service offers all ACSEA members the opportunity to obtain all relevant changes to the Award/s to which they are respondent. In receiving this Award service you will be sent up to the minute contemporary changes and notification and pay rate changes which effect your operation together with other important and relevant Awards which operate in conjunction with your original Award. All Employers are required by law to display a copy of the Award at the workplace in a conspicuous place where it is easily read by all the employees at the workplace.

Our Award service has been designed around members who want regular updates in relation to proposed changes to specific Awards along with wage sheet information.
